

PROJECT INFORMATION

SHA Roadway Improvements Begin Spring 2011

The Maryland Department of Transportation's State Highway Administration (SHA) will soon begin a safety and resurfacing project along 1.4 miles of MD 193 (University Boulevard) between Arcola Avenue and US 29 (Colesville Road) in Montgomery County. The project includes grinding, patching, and resurfacing all lanes of University Boulevard between Arcola Avenue and US 29. Other work includes reconstructing existing sidewalks and ramps to comply with Americans with Disabilities Act (ADA) standards, cleaning and repairing existing inlets and pipes, repairing and/or replacing curb, gutters, and existing guardrails, and installing new pavement markings. This project ties into the recently completed resurfacing projects between Farragut Avenue and Arcola Avenue, and should be complete in Fall 2011, weather permitting.

Road Preparation begins November 2010

Winter weather can create safety issues for both drivers and snowplow operators in the form of large potholes or crumbling pavement. Crews will begin temporary asphalt patching in November to smooth out the most damaged sections of roadway.

TEMPORARY LANE CLOSURES

During utility and roadway construction along MD 193 (University Boulevard), motorists can expect:

Single-lane closures:

Monday through Friday: 9 a.m. – 3 p.m.

Overnight, Sunday through Thursday: 9 p.m. – 5 a.m.

Double-lane closures:

Overnight, Sunday through Thursday: 11 p.m. – 5 a.m.

SHA will provide variable message signs, drums, and arrow boards to guide motorists through the work zone.

QUESTIONS/COMMENTS

The following SHA representatives are available to answer questions regarding roadwork along MD 193:

Tim Fletcher – SHA District 3 Area Engineer
301-513-7300, TFletcher1@sha.state.md.us

Kimberly Frum – SHA District 3 Community Liaison
301-513-7405, Kfrum@sha.state.md.us

SHA District 3 Office
Toll-free 1-800-749-0737
SHADistrict3@sha.state.md.us

Request for Assistance
The Maryland Relay Service can assist teletype users at 7-1-1. SHA will provide a telephonic interpreter for those who need assistance with the English language.

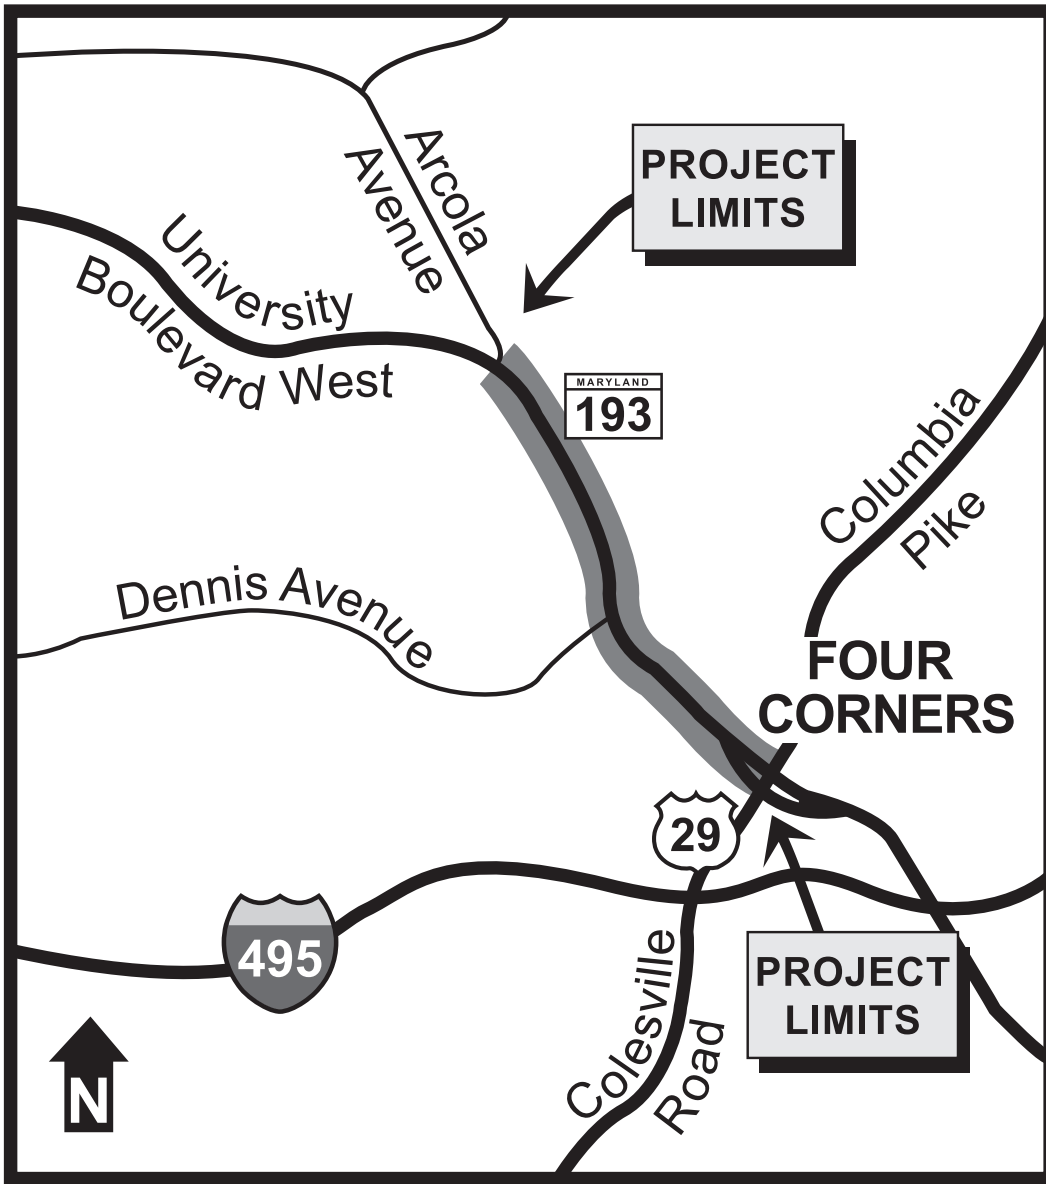

For up-to-date information on the latest Montgomery County projects, sign up for a quarterly E-newsletter. Please contact Ms. Kimberly Frum to be added to the Montgomery County project update list.

SHA representatives are available to meet with your civic or homeowner's association about SHA District 3 projects or roadways. Please request through Ms. Frum at least two weeks before the desired meeting date, and include information to be discussed.

See map on reverse side.

SHA reminds motorists to reduce speeds, stay alert, and use caution while driving through work zones. When workers are on the road, "think orange," the color of construction signs, barrels, and warning devices. Choose to make work zone safety your business at www.choosesafetyforlife.com.
